

Tax Manager

JOB DESCRIPTION:

Aryzta AG is a publicly quoted company looking to fill an in-house Tax Manager role which will include tax-related accounting responsibilities. Candidates should be qualified accountants (ACA or ACCA) and/or should have a recognized tax qualification e.g. AITI or similar and should have worked in a Corporate Tax Department in a “Big 4” accounting firm or as an in-house corporation tax specialist within Industry. Candidates should have 1-3 years post qualification work experience some of which has ideally been at Manager level. The role will be based at our offices in Grange Castle Business Park, Clondalkin Dublin 22 (near the M50/N7)

The candidate will need to work closely with the Head of Tax and other members of the Aryzta Global tax group. They must also work closely with our global external advisors in Tax, Company Secretarial & Legal and internally with Treasury, Group Reporting and the Senior Management team.

KEY RESPONSIBILITIES

- Assisting with the review of Aryzta’s global tax compliance, along with rest of the Aryzta tax team (with assistance from PWC)
- Assisting with the annual tax provisioning preparation, along with rest of the Aryzta tax team, culminating in the completion of the consolidated tax notes for inclusion in the Group's Annual Report.
- Financial accountant for Group's financing companies including reporting of management accounts on a monthly basis
- Day-to-day management of Group's financing companies including arranging Board Meetings, etc.
- Liaising with external advisors on ad-hoc consultancy issues.
- Researching and preparing detailed tax memorandums/step plans to support tax structuring projects (with assistance from advisors/global tax team)
- Managing ad hoc Revenue audits and seeking rulings on certain tax positions (with assistance from advisors/global tax team)

- Ability to use SAP will be useful but training/assistance will be available.
- General ad-hoc VAT and payroll tax queries

KEY COMPETENCIES

- Superb technical skills and detailed knowledge of Irish corporation tax principles including knowledge of all tax heads.
- Requires Excellent Accounting skills
- High level of organizational/project management skills
- Ability to work under pressure and within tight deadlines

REQUIREMENTS

- ACA/ACCA &/or AITI qualified
- Strong interpersonal skills, drive and enthusiasm are pre-requisites for this role.
- 1-3 years' relevant post-qualification work experience.
- Excellent computer skills especially Microsoft Word, Excel, Powerpoint, Internet Explorer and Outlook.
- Ability to work both as part of a team and on own initiative when necessary.
- Flexible approach to work and people.
