Supply Chain Graduate Opportunities

We offer a truly European 18 month Graduate Development Programme and are currently looking for Supply Chain Graduates to join our business.

This function enables us to store and distribute goods across our European network in an effective and efficient way.

As a Supply Chain graduate, you will play an essential role in collaborating with production, finance, purchasing and customer service, to ensure we meet our customers' demands. You'll assist with the management of the Supply Chain team, improving its effectiveness by implementing relevant supply chain principles and challenging current practices. You will also have the opportunity to work on projects to ensure best practice Supply Chain roll out, while contributing to further site wide challenges and other initiatives that have impact on Supply Chain across the business.

Typical activities you will be involved in include production planning, stock management and logistics and warehouse management.

Opportunities in this area are within our UK & Ireland Bakeries, Continental Bakeries and European Food Solutions Centres of Responsibility.

We are looking for Graduates who are:

- Fluency in English and German language capability is a distinct advantage
- Team players
- Excellent people and communication skills
- Passion, integrity and an entrepreneurial spirit
- Strong attention to detail
- Desire to work in a dynamic FMCG environment
- Resilience
- Drive and determination to succeed
- Passion for good food
