Preliminary remarks
ARYZTA is committed to best practice in corporate governance.

The primary corporate governance instruments adopted by ARYZTA (namely the Articles of Association, Organisational Regulations and Terms of Reference for the Committees of the Board) are available on the Company website at www.aryzta.com/about-aryzta/corporate-governance.aspx. While recognising the importance of these formal instruments, good corporate governance in practice requires a commitment to, and the practice of, values that guide the Group in serving the needs of its stakeholders, be they shareholders (institutional or retail), customers, consumers, suppliers, employees or other interested groups.

ARYZTA Board
In previous Corporate Governance Reports, ARYZTA stated its commitment to keeping its corporate governance framework under review, with a view to related developments and the on-going evolution of the Group.

At the ARYZTA 2011 Annual General Meeting, three new independent non-executive directors were appointed by the shareholders. In conjunction with these appointments, and in order to reflect the on-going evolution and internationalisation of ARYZTA, the Board discontinued the previous policy that a minimum of four of the non-executive directors be Irish and a minimum of two of the non-executive directors be Swiss. In addition, the Board re-affirmed its policy that a majority of its membership, excluding the Chairman, shall consist of independent non-executive directors (as determined in accordance with the Swiss Code of Best Practice for Corporate Governance).

Compensation Report and ‘Say-on-Pay’ voting
At the 2011 Annual General Meeting, the shareholders ratified the 2011 Compensation Report through a separate advisory vote. In keeping with good corporate governance practice, the Board has decided to also submit the 2012 Compensation Report to a separate advisory vote of the shareholders at the 2012 Annual General Meeting. The 2012 Compensation Report is included on pages 48 to 55 of this Annual Report.
ARYZTA Corporate Governance Report format

The ARYZTA Corporate Governance Report 2012 follows the SIX Swiss Exchange Directive on Information Relating to Corporate Governance and takes into account the Swiss Code of Best Practice for Corporate Governance.

The ARYZTA Group consolidated financial statements comply with International Financial Reporting Standards ('IFRS') and are in accordance with Swiss law. The ARYZTA AG Company financial statements are in accordance with Swiss Law and the Company’s Articles of Association. Where necessary, the financial statement disclosures have been extended to comply with the requirements of the SIX Swiss Exchange Directive on Information Relating to Corporate Governance.

In this report, the terms ‘ARYZTA’ and the ‘Company’ refer to ARYZTA AG, whereas the ‘Group’ and the ‘ARYZTA Group’ refer to ARYZTA AG and its subsidiaries. The ‘Board’ refers to the Board of Directors of the Company. ‘Origin Enterprises’ means Origin Enterprises plc (ARYZTA has a 68.8% holding in Origin Enterprises plc), and the ‘Origin Board’ means the Board of Directors of Origin Enterprises plc. To avoid duplication, in some sections cross-references are made to the 2012 Financial Statements (comprising the Group consolidated financial statements and Company financial statements of ARYZTA AG), as well as to the Articles of Association of ARYZTA AG (available on the Company website at www.aryzta.com/about-aryzta/corporate-governance.aspx).
1 Group structure and shareholders

1.1 Group structure

The Group is structured conventionally. The ARYZTA General Meeting is the supreme corporate body and the Board is accountable and reports to the shareholders, by whom it is elected. The Board, while entrusted with the ultimate direction of ARYZTA, as well as the supervision and control of management, has delegated responsibility for the day-to-day management of the Group, to the extent allowed under Swiss law, through the Chief Executive Officer, to Executive Management. The Group’s management and organisational structure corresponds to its segmental reporting lines: Food Europe, Food North America, Food Rest of World and Origin.

Each segment’s management team is responsible for the day-to-day activities of their segments and report to Executive Management, which in turn reports through the Chief Executive Officer to the Board. Origin constitutes an exception, as it is a public company in its own right, with its own Board of Directors, separate executive management team, governance structure and ring-fenced financing arrangements. The executive management team within Origin reports to the Origin Board. The Origin Board is accountable and reports to its shareholders, including ARYZTA. Owen Killian and Patrick McEniff, ARYZTA Board members and CEO and CFO respectively, are also members of the Origin Board. Pat Morrissey, ARYZTA General Counsel and Company Secretary, is also Company Secretary of Origin.

The share capital of the Company at 31 July 2012 amounts to CHF 1,836,210.68, and is divided into 91,810,534 registered shares with a par value of CHF 0.02 per share. Of these 91,810,534 shares, 88,037,675 are outstanding and 3,772,859 are classified as treasury shares. As of 31 July 2012, 512,859 of the treasury shares remain unallocated.
2.4 Shares and participation certificates
ARYZTA’s capital is composed of registered shares only. As at 31 July 2012, ARYZTA has 91,810,534 fully paid-up, registered shares (including 3,772,859 treasury shares) with a nominal value of CHF 0.02 each. Each share entered in the share register with voting rights entitles the holder to one vote at the General Meeting and all shares have equal dividend rights. ARYZTA has not issued any participation certificates1.

2.5 Profit-sharing certificates
ARYZTA has not issued any profit-sharing certificates1.

2.6 Restrictions on transferability and nominee registrations
Article 7 of the Articles of Association deals with the Shareholders’ Register and Transfer Restrictions and is available on the Company website at www.aryzta.com/about-aryzta/corporate-governance.aspx.

2.6.1 Limitations on transferability
Pursuant to Article 7 b) of the Articles of Association, persons acquiring registered shares are, on application, entered in the share register without limitation as shareholders with voting power, provided they comply with the disclosure requirement stipulated by the Federal Act on Stock Exchanges and Securities Trading (Stock Exchange Act) of 24 March 1995 and expressly declare that they have acquired the shares in their own name and for their own account.

2.6.2 Exceptions granted in the year under review
As part of the establishment of ARYZTA, former holders of IAWS Group plc shares and options received ARYZTA registered shares, delivered initially in the form of Capita Depository Interests and since replaced by CREST2 Depository Interests (“CDIs”)3.

A CDI represents an entitlement to an ARYZTA registered share. CDI holders are not the legal owners of the shares represented by the CDIs. They are not in a position to directly enforce or exercise rights like a shareholder. CDI holders do, however, maintain an interest in the shares represented by the CDIs.

---

1 Participation and profit-sharing certificates are instruments which have similar features to shares, but may differ with regard to their entitlement to dividend payments, voting rights, preferential rights to company assets or other similar rights.
2 The CREST system, operated by Euroclear UK and Ireland, is the system for the holding and settlement of transactions in uncertificated (UK, Irish and Channel Island) securities.
3 ARYZTA shares are held in trust by Euroclear UK and Ireland for the benefit of CREST members who have been issued with dematerialised interests representing entitlements to ARYZTA registered shares in the form of CDIs.
To facilitate voting by CDI holders, the Company has entered arrangements with Euroclear UK and Ireland to enable, by way of exception, registration of CREST International Nominees Limited (‘CREST’) in the share register as nominee with voting rights for the number of registered shares corresponding to the number of CDIs on the CDI register. There were no other exceptions to the provisions of section 2.6.1 above granted in the year under review.

CDI holders who wish to be in a position to directly enforce or exercise their rights must have their interests entered in the share register in accordance with Article 7 of the Articles of Association and effectively hold their shares through a member of the Swiss SIS Settlement System.

2.6.3 Admissibility of nominee registrations

Pursuant to Article 7 c) of the Articles of Association, nominee shareholders are entered in the share register with voting rights without further inquiry up to a maximum of 1.5% of the outstanding share capital available at the time. Above this 1.5% limit, registered shares held by nominees are entered in the share register with voting rights only if the nominee in question (at the application for registration or thereafter upon request by the Company) discloses the names, addresses and shareholdings of the persons for whose account the nominee holds 0.3% or more of the outstanding share capital available at that time and provided that the disclosure requirement stipulated by the Stock Exchange Act is complied with. The Board has the right to conclude agreements with nominees concerning their disclosure requirements.

Pursuant to Article 7 d) of the Articles of Association, the limit of registration in Article 7 c) of the Articles of Association described above also applies to the subscription for or acquisition of registered shares by exercising option or convertible rights arising from registered or bearer securities issued by the Company, as well as by means of purchasing pre-emptive rights arising from either registered or bearer shares.

Pursuant to Article 7 e) of the Articles of Association, legal entities, or partnerships, or other associations or joint ownership arrangements, which are linked through capital ownership or voting rights, through common management or in like manner, as well as individuals, legal entities or partnerships that act in concert with intent to evade the entry restriction, are considered as one shareholder or nominee.

2.6.4 Procedure and conditions for cancelling statutory privileges

Pursuant to Article 7 f) of the Articles of Association, the Company may in special cases approve exceptions to the regulations described in section 2.6.3 above. After due consultation with the person concerned, the Company is further authorised to delete entries in the share register as shareholder with voting rights with retroactive effect if they were effected on the basis of false information or if the respective person does not provide the information pursuant to Article 7 c) described in section 2.6.3 above.
2.7 Convertible bonds, warrants and options
As of 31 July 2012, ARYZTA has not issued any convertible bonds or warrants.

As of 31 July 2012, a total of 750,000 Matching Plan awards and a total of 2,510,000 Option Equivalent Plan awards granted to executives and senior management remain outstanding, subject to fulfilment of predefined vesting conditions in connection with these ARYZTA Long Term Incentive Plans.

Please refer to the Compensation Report on pages 48 to 55 of this Annual Report for further information pertaining to options granted as an element of executive and management compensation.

3 Board of Directors
3.1 Members of the Board of Directors
At 31 July 2012, the Board of ARYZTA consists of two executive directors and eight non-executive directors, each of whom is considered by the Board to be independent in character and judgement. - the Group’s financial controls and risk systems;
- the Internal Audit function’s terms of reference, resources, its work programme and reports on its work during the year; and
- the arrangements by which staff may, in confidence, raise concerns about possible fraud.

Nomination and Remuneration Committee

- To determine the organisation;
- To structure the accounting, the internal control system, the financial control and the financial planning system as well as perform a risk assessment;
- To appoint and remove the persons entrusted with the management and the representation of the Company and to grant signatory power;
- To ultimately supervise the persons entrusted with the management, in particular with respect to compliance with the law and with the Articles of Association, regulations and directives;
- To prepare the business report, as well as the General Meeting and to implement its resolutions;
- To inform the judge in the event of over-indebtedness;
Corporate Governance Report (continued)

– To pass resolutions regarding the subsequent payment of capital with respect to non-fully paid-up shares;
– To pass resolutions confirming increases in share capital and the amendments to the Articles of Association entailed thereby;
– To examine compliance with the legal requirements regarding the appointment, election and the professional qualifications of the external auditors; and
– To execute the agreements pursuant to art. 12, 36 and 70 of Swiss merger law.

The Board has delegated responsibility for the day-to-day management of the Group, through the Chief Executive Officer, to Executive Management.

3.6 Information and control instruments pertaining to Group Executive Management

Group Executive Management report in a regular and structured manner to the Board of Directors. The CEO and CFO report to the Board on a systematic basis. At each Board Meeting, the CEO informs the Board of the status of current business operations, significant developments and major business transactions. Likewise, the CFO reports on financial performance across the Group and key financial figures and parameters. In addition, executives within the Group regularly deliver presentations to the Board. The Board approves the formal Risk Assessment, which is required by Article 663b of the Swiss Code of Obligations. The Board has approved the design, implementation and maintenance of the Internal Control System required under applicable law.

The ARYZTA Internal Audit function reports directly to the Audit Committee. Internal Audit may audit all Group activities and regularly meets with Group Executive Management. Internal Audit discusses audit plans with the Audit Committee on at least an annual basis, but may discuss them more frequently should circumstances require.

The external auditors, PricewaterhouseCoopers AG (the Auditors of the ARYZTA Group consolidated financial statements and the Company financial statements), conduct their audits in compliance with the auditing standards referenced in their respective opinions.

4 Group Executive Management

For the financial year 2012, the Group Executive Management consists of Owen Killian (Chief Executive Officer), Patrick McEniff (Chief Financial Officer) and Pat Morrissey (General Counsel and Secretary). Details of Owen Killian, Patrick McEniff and Pat Morrissey are provided in Section 3.1.

No member of the Group Executive Management holds management contracts for any company outside the ARYZTA Group.

5 Compensation, shareholdings and loans

Please refer to note 10 of the ARYZTA AG Company financial statements on page 152 for details of Board members’ shareholdings and to the Compensation Report on pages 48 to 55 for disclosures pertaining to compensation, as well as the content and method of determining the compensation and share-ownership programmes. No loans or advances were made by ARYZTA Group to members of the Board of Directors or to Executive Management during the financial year, or were outstanding at 31 July 2012 (2011: none).
6 Shareholders’ participation

6.1 Voting rights

Each ARYZTA share registered as a share conferring a voting right entitles the holder to one vote at a General Meeting. Proxies are entitled to attend shareholders’ meetings and exercise all rights of the represented shareholders at such meetings.

As indicated previously in paragraph 2.6.2, ARYZTA pursues arrangements with Euroclear UK and Ireland to enable investors whose interests in ARYZTA are represented by CDIs to exercise their voting rights. CDI holders who wish to be in a position to directly enforce or exercise their rights must have their interests entered in the share register in accordance with Article 7 of the Articles of Association and effectively hold their shares through a member of the Swiss SIS Settlement System.

6.2 Statutory quorums

Pursuant to Article 14 of the Articles of Association, resolutions at the General Meeting calling for a quorum of at least two-thirds of the votes represented are required for:

– The cases listed in art. 704 para. 1 CO and in art. 18 and 64 Merger Act;
– The easement or abolition of the restriction of the transferability of registered shares;
– The conversion of bearer shares into registered shares; and
– Any change to the provisions of article 14 of the Articles of Association.

6.3 Convocation of General Meeting of the shareholders

General Meetings are convened by the Board of Directors and, if need be, by the Auditors. Notice of the General Meeting is given by publication in the Swiss Official Gazette of Commerce at least 20 days before the date of the meeting. The notice must state, inter alia, the day, time and place of the Meeting and the agenda.

6.4 Agenda

The Board states the items on the agenda. One or more registered shareholders who jointly represent at least ten percent of the share capital of the Company registered in the Commercial Register may request items to be included in the agenda. Such requests must be in writing, specifying the items and the proposals, and be submitted to the Chairman at least 45 days before the date of the General Meeting.

6.5 Entry in the share register

The relevant date to determine the shareholders’ right to participate in the General Meeting on the basis of the registrations appearing in the share register is set by the Board in the invitation to the General Meeting.

7 Change of control and defence measures

7.1 Obligation to make an offer

ARYZTA does not have a provision on opting out or opting up in the Articles of Association. Thus, the provisions regarding the legally prescribed threshold of 33 1/3% of the voting rights for making a public takeover offer set out in art. 32 of the Swiss Stock Exchange Act are applicable.
7.2 Change of control clauses
Benefits under the ARYZTA LTIP vest upon a change of control. Otherwise, the agreements and plans benefiting the members of the Board or the Group Executive Management are unaffected by a change of control. Further details regarding the benefits under the ARYZTA LTIP are set out in the Compensation Report on pages 48 to 55 of this Annual Report.

8 Auditors
8.1 Duration of the mandate and term of office of the lead auditor
In line with the Group’s policy of rotating its auditors every seven years, ARYZTA AG put the audit mandate out to tender in November 2009. Submissions were received from a number of major accounting firms. The award decision was based on a set of criteria which had previously been disclosed to all candidate firms. These criteria included such elements as the composition of the audit team, knowledge of the bakery industry sector and differentiation vis-à-vis other candidate firms. The ultimate decision was made on the basis of general best practice principles. Following a formal tender process, PricewaterhouseCoopers AG, Zurich, was elected as statutory auditor and Group auditor in December 2009. The term of office is one year. Patrick Balkanyi has been the lead auditor since PricewaterhouseCoopers AG’s appointment in 2009. At the 2011 AGM, PricewaterhouseCoopers AG, Zurich, was re-elected as statutory auditor and Group auditor for the 2012 financial year.

8.2 Audit fees
The total audit and audit-related fees charged by the Group auditors in the 2012 financial year amounted to €2,621,000. Of these fees, €299,000 were charged to Origin Enterprises plc.

The total audit and audit-related fees charged by the Group auditors in the 2011 financial year amounted to €2,458,000. Of these fees, €288,000 were charged to Origin Enterprises plc.

8.3 Additional fees
The Group’s policy is to manage its relationship with the Group’s external auditor in such a way that their independence is maintained. To ensure that this is so, the Board has determined limits on the type and scale of non-audit work that can be provided by the auditor.

Contracts to the auditor for other non-audit work are deemed to be pre-approved by the Audit Committee up to an aggregate limit, within the financial year, of 100% of the audit fee for the current year. This is subject to the requirement for all contracts for specific pieces of non-audit work with fees exceeding €250,000 being awarded on the basis of competitive tendering. Where the awarding of a contract for non-audit work to the auditor is to be made, which is likely to increase total fees for non-audit work above this aggregate limit in the financial year, the Group Chief Financial Officer notifies the Chairman of the Audit Committee in advance of such a contract being awarded.
Fees for additional services rendered by the auditors to the ARYZTA Group in the financial year 2012 totalled €2,182,000 (2011: €2,495,000). The largest portion of these fees related to tax return preparation or review in 18 countries, covering more than 100 legal entities. Of these fees, €16,000 (2011: €38,000) were charged to Origin Enterprises plc.

PricewaterhouseCoopers presents to the Audit Committee a detailed report on the conduct of the 2012 Group consolidated and Company financial statement audits, the findings on significant financial accounting and reporting issues, as well as the findings on the Group’s internal control system (ICS).

In 2012, PricewaterhouseCoopers attended four Audit Committee meetings and the Group Head of Internal Audit participated in all four Audit Committee meetings. Other members of the Group Executive Management attended them as invited. In addition, the Head of Internal Audit regularly met with the Chairman of the Audit Committee for interim updates.

The Board of Directors annually reviews the selection of the auditors in order to propose their appointment to the Annual General Meeting of ARYZTA. The Audit Committee assesses the effectiveness of the work of the auditors in accordance with Swiss law. The lead auditor rotates every seven years in accordance with Swiss law.

During meetings of the Audit Committee, audit and non-audit-related fees to be charged by PricewaterhouseCoopers during the year are reviewed to mitigate the risk of any potential impairment to PricewaterhouseCoopers’ independence. PricewaterhouseCoopers monitors its independence throughout the year and confirms its independence to the Audit Committee annually.

9 Investor Communications Policy

Guiding principles

ARYZTA is committed to pursuing an open and consistent communication policy with shareholders, potential investors and other interested parties. The objective is to ensure that the perception of those parties about the historical record, current performance and future prospects of ARYZTA is in line with management’s assessment of the current situation at ARYZTA. The guiding principles of this policy are that ARYZTA gives equal treatment to shareholders in equal situations, that any price-sensitive information is published in a timely fashion and that the information is provided in a format that is as complete, simple, transparent and consistent as possible.
Corporate Governance Report (continued)

Methodology
ARYZTA publishes its first-quarter trading update, half-year results, third-quarter trading update and full-year results (including the Annual Report) on the occasion of its quarterly announcement cycle (see details on page 46). These quarterly announcements are each accompanied by a news release. Additionally, a presentation and conference call, which is broadcast live on the internet (webcast) and which anyone can choose to access, whether a shareholder or not, are held on a half-yearly basis, or as deemed necessary by the Board. These webcasts can be replayed at any time on the ARYZTA website (www.aryzta.com). An automatic alerting service is also provided through the website. This ensures that interested parties can sign-up to be automatically alerted to results and events announcements published on the website. ARYZTA also ensures that news releases are distributed to major wire and news services. These news releases are also made available in the News & Media section of the website immediately after release to the SIX Swiss Exchange and ISE Irish Exchange (www.aryzta.com/news-and-media.aspx). In this way, the Company utilises its website and ancillary communications infrastructure to ensure a rapid and equitable distribution of information for all interested parties.

ARYZTA’s Investor Relations programme for institutional investors is carried out in line with the quarterly announcement cycle, with management time allocated accordingly and not on an ad-hoc basis. ARYZTA has appointed a dedicated communications officer to focus on the management of the communication process with investors and the media, and to support ARYZTA’s efforts to strike a balance between the needs of managing a business and regular transparent communication with investors. ARYZTA’s policy regarding investor meetings (i.e. Group meetings, one-to-one meetings and conference calls) is that these will not be held on an ad-hoc basis. These will be organised following quarterly announcements, save as mentioned below. Investors wishing to meet the Group in the aftermath of such quarterly announcements should e-mail the Group’s Communications Officer (see details on page 46). These investor communications focus either on recently announced financial results, recent corporate activity or the longer-term strategy of the Group. They do not serve the purpose of disclosing new information that might encourage an investment decision.

The Group accepts invitations to investor conferences. Attendance at conferences by the Group will be on a planned and agreed basis in advance of its quarterly announcement cycle. The Company also communicates with analysts and stockbrokers who follow ARYZTA to facilitate third-party research on the Company. ARYZTA assumes no responsibility for any statements, expectations, or recommendations made by analysts and stockbrokers. The Group will communicate to investors at the time of any potentially price-sensitive event, such as significant acquisitions and divestments, agreements and alliances.
