Preliminary remarks
ARYZTA is committed to best practice in corporate governance.

The primary corporate governance instruments adopted by ARYZTA (namely the Articles of Association, Organisational Regulations and Terms of Reference for the Committees of the Board) are available on the Company website at www.aryzta.com/about-aryzta/corporate-governance. While recognising the importance of these formal instruments, good corporate governance requires a commitment to, and the practice of, values that guide the Group in serving the needs of its stakeholders, be they shareholders, customers, consumers, suppliers, employees and other interested parties.

ARYZTA Board
ARYZTA is committed to continually reviewing its corporate governance framework with a view to related developments.

The Board’s policy is that, excluding the Chairman, a majority of its membership shall consist of independent non-executive directors, as determined in accordance with the Swiss Code of Best Practice for Corporate Governance.

At the ARYZTA 2015 Annual General Meeting (‘AGM’), one new independent non-executive director, Dan Flinter, was appointed by the shareholders, two executive directors, Patrick McEniff and John Yamin, retired from the Board without seeking re-election, as did non-executive director, Brian Davy. Accordingly, since 8 December 2015, the Board has comprised the Chairman, the Chief Executive Officer and six non-executive directors each of whom is considered by the Board to be independent in character and judgement.

The Group utilises leading international search firms to advise and assist the Board in its on-going renewal programme. The aim of this programme is to ensure that ARYZTA is served by a Board whose members possess the right mix of skills, experience and talent, and who share ARYZTA’s values.

This year, the Board retained an independent professional services firm to undertake a strategic board competencies review. The purpose of the review was to consider the composition of the Board in the light of the strategic and operational agenda facing ARYZTA over the medium term, identifying critical experiences and capabilities. This work was particularly significant this year, having regard to the 30 October 2015 announcement by the Chairman, Denis Lucey, that a new candidate would be proposed by the Board at the 2016 AGM and that Mr. Lucey would retire as Chairman at that time.

In financial year 2016, the Board established a new Governance and Nomination Committee. This new committee managed the engagement with the independent professional services firm, undertaking the strategic board competencies review. In addition, the committee oversaw the adoption of updated (a) Organizational Regulations for the Board and (b) Terms of references for (i) the Audit Committee (ii) Remuneration Committee and (iii) Governance and Nomination Committee, all of which are published on the ARYZTA website.
In addition, the Governance and Nomination Committee oversaw the adoption by ARYZTA of a revised Code of Practice for Director’s Dealings in Company Securities and Person’s Discharging Managerial Responsibilities (PDMRs). These instruments reflect the impact of regulatory changes on ARYZTA and governance best practice developments, including requiring pre-clearance and reporting of any future securities pledges by Directors or PDMRs.

By virtue of the Swiss Ordinance against Excessive Compensation at Listed Companies (the ‘Ordinance’), since the ARYZTA 2014 AGM, the General Meeting has the following non-transferable powers:

– Annual election of all directors
– Election of the Chairman of the Board
– Election of the members of the Remuneration Committee
– Election of the independent proxy

Additionally, since the ARYZTA 2015 AGM, the General Meeting votes on the compensation of the Board and Executive Management on a prospective basis.

**Compensation Report**

At the 2015 Annual General Meeting, the shareholders ratified the 2015 Compensation Report through a separate advisory vote, and in line with the Ordinance, shareholders approved the maximum aggregate amount of remuneration of the Board of Directors (for the period up to the 2016 AGM) and Executive Management (for the financial year ending 31 July 2017).

**ARYZTA Corporate Governance Report format**

The ARYZTA Corporate Governance Report follows the SIX Swiss Exchange Directive on Information Relating to Corporate Governance and takes into account the Swiss Code of Best Practice for Corporate Governance.

The ARYZTA Group consolidated financial statements are prepared in accordance with International Financial Reporting Standards (‘IFRS’) and the requirements of Swiss law. The ARYZTA AG Company financial statements are prepared in accordance with the requirements of Swiss Law and the Company’s Articles of Association. Where necessary, the financial statement disclosures have been extended to comply with the requirements of the SIX Swiss Exchange Directive on Information Relating to Corporate Governance.

In this report, the terms ‘ARYZTA’ and the ‘Company’ refer to ARYZTA AG, whereas the ‘Group’ and the ‘ARYZTA Group’ refer to ARYZTA AG and its subsidiaries. The ‘Board’ refers to the Board of Directors of the Company.

To avoid duplication in some sections, cross-references are made to the 2016 Financial Statements (comprising the Group consolidated financial statements and Company financial statements of ARYZTA AG), as well as to the Articles of Association of ARYZTA AG (available on the Company website at www.aryzta.com/about-aryzta/corporate-governance).
1 Group structure and shareholders

1.1 Group structure

The Group is structured conventionally. The ARYZTA General Meeting is the supreme corporate body and the Board is accountable and reports to the shareholders, by whom it is elected. The Board, while entrusted with the ultimate direction of ARYZTA, as well as the supervision and control of management, has delegated responsibility for the day-to-day management of the Group, to the extent allowed under Swiss law, through the Chief Executive Officer (‘CEO’), to Executive Management. The Group’s management and organisational structure corresponds to its segmental reporting lines: ARYZTA Europe, ARYZTA North America and ARYZTA Rest of World.

Each segment’s management team is responsible for the day-to-day activities of their segment and reports to Executive Management, which in turn reports through the CEO to the Board.

Of the 91,810,534 registered shares, 88,758,527 are outstanding and 3,052,007 are classified as treasury shares. While the treasury shares are less than the total 4,883,500 Option Plan awards outstanding, treasury shares continue to exceed the 1,589,500 Option Plan Awards vested and eligible for exercise as of 31 July 2016.

2.4 Shares and participation certificates
ARYZTA’s capital is composed of registered shares only. As at 31 July 2016, ARYZTA has 91,810,534 fully paid-up, registered shares (including 3,052,007 treasury shares) with a nominal value of CHF 0.02 each. Each share entered in the share register with voting rights entitles the holder to one vote at the General Meeting and all shares have equal dividend rights. ARYZTA has not issued any participation certificates.

2.5 Profit-sharing certificates
ARYZTA has not issued any profit-sharing certificates.

2.6 Restrictions on transferability and nominee registrations
Article 7 of the Articles of Association deals with the Shareholders’ Register and Restrictions on Transferability, and is available on the Company website at www.aryzta.com/about-aryzta/corporate-governance.

2.6.1 Limitations on transferability
Pursuant to Article 7 b) of the Articles of Association, persons acquiring registered shares are, on application, entered in the share register without limitation as shareholders with voting power, provided they comply with the disclosure requirement stipulated by the Federal Act on Stock Exchanges and Securities Trading (Stock Exchange Act) of 24 March 1995 and expressly declare that they have acquired the shares in their own name and for their own account.

2.6.2 Exceptions granted in the year under review
As part of the establishment of ARYZTA, former holders of IAWS Group plc shares and options received ARYZTA registered shares, delivered initially in the form of Capita Depository Interests and since replaced by CREST Depository Interests (CDIs).

A CDI represents an entitlement to an ARYZTA registered share. CDI holders are not the legal owners of the shares represented by the CDIs. They are not in a position to directly enforce or exercise rights like a shareholder. However, CDI holders do maintain an interest in the shares represented by the CDIs.

To facilitate voting by CDI holders, the Company has entered arrangements with Euroclear UK and Ireland to enable, by way of exception, registration of CREST International Nominees Limited (‘CREST’) in the share register as nominee with voting rights for the number of registered shares corresponding to the number of CDIs on the CDI register. There were no other exceptions to the provisions of section 2.6.1 above granted in the year under review.

---

1 Participation and profit-sharing certificates are instruments which have similar features to shares, but may differ with regard to their entitlement to dividend payments, voting rights, preferential rights to company assets or other similar rights.
2 The CREST system, operated by Euroclear UK and Ireland, is the system for the holding and settlement of transactions in uncertificated (UK, Irish and Channel Island) securities.
3 ARYZTA shares are held in trust by Euroclear UK and Ireland for the benefit of CREST members who have been issued with dematerialized interests representing entitlements to ARYZTA registered shares in the form of CDIs.
CDI holders who wish to be in a position to directly enforce or exercise their rights must have their interests entered in the share register in accordance with Article 7 of the Articles of Association and effectively hold their shares through a member of the Swiss SIS Settlement System.

2.6.3 Admissibility of nominee registrations
Pursuant to Article 7 c) of the Articles of Association, nominee shareholders are entered in the share register with voting rights without further inquiry up to a maximum of 1.5% of the outstanding share capital available at the time. Above this 1.5% limit, registered shares held by nominees are entered in the share register with voting rights only if the nominee in question (at the application for registration or thereafter upon request by the Company) discloses the names, addresses and shareholdings of the persons for whose account the nominee holds 0.3% or more of the outstanding share capital available at that time, and provided that the disclosure requirement stipulated by the Stock Exchange Act is complied with. The Board has the right to conclude agreements with nominees concerning their disclosure requirements.

Pursuant to Article 7 d) of the Articles of Association, the limit of registration in Article 7 c) of the Articles of Association described above also applies to the subscription for, or acquisition of, registered shares by exercising option or convertible rights arising from registered or bearer securities issued by the Company, as well as by means of purchasing pre-emptive rights arising from either registered or bearer shares.

Pursuant to Article 7 e) of the Articles of Association, legal entities, or partnerships, or other associations or joint ownership arrangements, which are linked through capital ownership or voting rights, through common management or in like manner, as well as individuals, legal entities or partnerships that act in concert with intent to evade the entry restriction, are considered as one shareholder or nominee.

2.6.4 Procedure and conditions for cancelling statutory privileges
Pursuant to Article 7 f) of the Articles of Association, the Company may in special cases approve exceptions to the regulations described in section 2.6.3 above. After due consultation with the person concerned, the Company is further authorised to delete entries in the share register as a shareholder with voting rights, with retroactive effect, if they were effected on the basis of false information, or if the respective person does not provide the information pursuant to Article 7 c) described in section 2.6.3 above.

2.7 Convertible bonds, warrants and options
As of 31 July 2016, ARYZTA has not issued any convertible bonds or warrants.

As of 31 July 2016, a total of 4,883,500 Option Equivalent Plan awards granted to executives and senior management remain outstanding, subject to fulfilment of predefined vesting conditions in connection with the ARYZTA Long Term Incentive Plan.

- To determine the organisation;
- To organise the accounting, the internal control system, the financial control and the financial planning system, as well as perform a risk assessment;
- To appoint and remove the persons entrusted with the management and the representation of the Company and to grant signatory power;
- To ultimately supervise the persons entrusted with the management, in particular with respect to compliance with the law and with the Articles of Association, regulations and directives;

- To pass resolutions confirming increases in share capital and the amendments to the Articles of Association entailed thereby;
- To examine compliance with the legal requirements regarding the appointment, election and the professional qualifications of the external auditors; and
- To execute the agreements pursuant to art. 12, 36 and 70 of Swiss merger law.

The Board has delegated responsibility for the day-to-day management of the Group, through the CEO, to Executive Management, to the extent allowed by Swiss law.

3.6 Information and control instruments pertaining to Group Executive Management

Group Executive Management report in a regular and structured manner to the Board of Directors. The CEO and CFO/COO report to the Board on a systematic basis. At each Board Meeting, the CEO informs the Board of the status of current business operations, significant developments and major business transactions. Likewise, the CFO/COO reports on financial performance across the Group and key financial figures and parameters. In addition, executives within the Group regularly deliver presentations to the Board. The Board approves the formal Risk Assessment, as well as the design, implementation and maintenance of the Internal Control System.

The ARYZTA Internal Audit function reports directly to the Audit Committee and to the Group General Counsel, Company Secretary and CAO. Internal Audit may audit all Group activities and regularly meets with Group Executive Management. Internal Audit discusses audit plans with the Audit Committee on at least an annual basis, but may discuss them more frequently should circumstances require.

The external auditors, PricewaterhouseCoopers AG (the Auditors of the ARYZTA Group consolidated financial statements and the Company financial statements), conduct their audits in compliance with the auditing standards referenced in their respective opinions.

No loans or advances were made by the ARYZTA Group to members of the Board of Directors or to Executive Management during the financial year, or were outstanding at 31 July 2016 (2015: none).

6  Shareholders’ participation

6.1  Voting rights
Each ARYZTA share registered as a share conferring a voting right entitles the holder to one vote at a General Meeting. Proxies are entitled to attend shareholders’ meetings and exercise all rights of the represented shareholders at such meetings.

As indicated previously in paragraph 2.6.2, ARYZTA pursues arrangements with Euroclear UK and Ireland to enable investors whose interests in ARYZTA are represented by CDIs to exercise their voting rights. CDI holders who wish to be in a position to directly enforce or exercise their rights must have their interests entered in the share register in accordance with Article 7 of the Articles of Association and effectively hold their shares through a member of the Swiss SIS Settlement System.

6.2  Statutory quorums
Pursuant to Article 15 of the Articles of Association, resolutions at the General Meeting calling for a quorum of at least two-thirds of the votes represented are required for:

- The cases listed in art. 704 para. 1 CO and in art. 18 and 64 Merger Act;
- The easement or abolition of the restriction of the transferability of registered shares;
- The conversion of bearer shares into registered shares; and
- Any change to the provisions of article 15 of the Articles of Association.

6.3  Convocation of General Meeting of the shareholders
General Meetings are convened by the Board of Directors and, if need be, by the Auditors. Notice of the General Meeting is given by publication in the Swiss Official Gazette of Commerce and on the Group’s homepage (www.aryzta.com) at least 20 days before the date of the meeting. The notice must state, inter alia, the day, time and place of the Meeting and the agenda.

6.4  Agenda
The Board states the items on the agenda. One or more registered shareholders who jointly represent at least ten percent of the share capital of the Company registered in the Commercial Register may request items to be included in the agenda. Such requests must be in writing, specifying the items and the proposals, and be submitted to the Chairman at least 45 days before the date of the General Meeting.
6.5 Entry in the share register
The relevant date to determine the shareholders’ right to participate in the General Meeting, on the basis of the registrations appearing in the share register, is set by the Board in the invitation to the General Meeting.

7 Change of control and defence measures
7.1 Obligation to make an offer
ARYZTA does not have a provision on opting out or opting up in the Articles of Association. Thus, the provisions regarding the legally prescribed threshold of 33 1/3% of the voting rights for making a public takeover offer set out in Article 32 of the Swiss Stock Exchange Act are applicable.

7.2 Change of control clauses
Benefits under the ARYZTA LTIP vest upon a change of control by reference to the fair value of the LTIP instruments. The final determination of such fair value falls to be made by the Board of Directors (acting through the Remuneration Committee thereof) on the basis of independent, external, professional advice. Otherwise, the agreements and plans benefiting the members of the Board or the Group Executive Management are unaffected by a change of control. Further details regarding the benefits under the ARYZTA LTIP are set out in the Compensation Report on pages 49 to 56 of this Annual Report.

8 Auditors
8.1 Duration of the mandate and term of office of the lead auditor
Following a formal tender process, PricewaterhouseCoopers AG, Zurich, was elected as statutory auditor and Group auditor in December 2009. The term of office is one year. Patrick Balkanyi has been the lead auditor since PricewaterhouseCoopers AG’s appointment in 2009. At the 2015 AGM, PricewaterhouseCoopers AG, Zurich, was re-elected as statutory auditor and Group auditor for the 2016 financial year.

8.2 Audit fees
The total audit and audit-related fees charged by the Group auditors in financial year 2016 amounted to €2,362,000.

The total audit and audit-related fees charged by the Group auditors in the financial year 2015 amounted to €2,738,000.

8.3 Additional fees
The Group’s policy is to manage its relationship with the Group’s external auditor to ensure their independence is maintained. In order to achieve this, the Board has determined limits on the type and scale of non-audit work that can be provided by the auditor.

Contracts to the auditor for other non-audit work are deemed to be pre-approved by the Audit Committee, up to an aggregate limit of 100% of the audit fee for the current year. This is subject to the requirement that all contracts for specific pieces of non-audit work with fees exceeding €250,000 be awarded on the basis of competitive tendering. Where the awarding of a contract for non-audit work to the auditor is to be made that is likely to increase total fees for non-audit work above this aggregate limit, the Group CFO notifies the Chair of the Audit Committee in advance of such a contract being awarded.
Fees for additional services rendered by the auditors to the ARYZTA Group in financial year 2016 totalled €1,778,000 (2015: €1,894,000). A significant portion of these fees related to tax return preparation or review in over 20 countries, covering more than 100 legal entities.

### 8.4 Information tools pertaining to the external audit

PricewaterhouseCoopers presents to the Audit Committee a detailed report on the results of the 2016 Group consolidated and Company financial statement audits, the findings on significant financial accounting and reporting issues, as well as the findings on the Group’s internal control system (‘ICS’).

In financial year 2016, both PricewaterhouseCoopers and the Group Head of Internal Audit participated in all five Audit Committee meetings. Other members of the Group Executive Management attended the meetings as invited. In addition, the Group Head of Internal Audit regularly met with the Chair of the Audit Committee for interim updates.

On an annual basis, the Board of Directors reviews the selection of the auditors, in order to propose their appointment to the Annual General Meeting of ARYZTA. The Audit Committee assesses the effectiveness of the work of the auditors in accordance with Swiss law. The lead auditor rotates every seven years in accordance with Swiss law.

During meetings of the Audit Committee, audit and non-audit-related fees to be charged by PricewaterhouseCoopers during the year, are reviewed to mitigate the risk of any potential impairment to PricewaterhouseCoopers’ independence. PricewaterhouseCoopers monitors its independence throughout the year and confirms its independence to the Audit Committee annually.
9 Investor Communications Policy

Guiding principles
ARYZTA is committed to pursuing an open and consistent communication policy with shareholders, potential investors and other interested parties. The objective is to ensure that the perception of those parties about the historical record, current performance and future prospects of ARYZTA is in line with management’s assessment of the current situation at ARYZTA. The guiding principles of this policy are that ARYZTA gives equal treatment to shareholders in equal situations, that any price-sensitive information is published in a timely fashion and that the information is provided in a format that is as complete, simple, transparent and consistent as possible.

Methodology
ARYZTA publishes its first-quarter trading update, half-year results, third-quarter trading update and full-year results (including the Annual Report) on the occasion of its quarterly announcement cycle (see details on page 158). These quarterly announcements are each accompanied by a news release. Additionally, a presentation and conference call, which is broadcast live on the internet (webcast) and which anyone can choose to access, whether a shareholder or not, are held on a half-yearly basis, or as deemed necessary by the Board. These webcasts can be replayed at any time on the ARYZTA website (www.aryzta.com). An automatic alerting service is also provided through the website. This ensures that interested parties can sign-up to be automatically alerted to results and events announcements published on the website. ARYZTA also ensures that news releases are distributed to major wire and news services. These news releases are also made available in the News & Media section of the website immediately after release to the SIX Swiss Exchange and ISE Irish Exchange (www.aryzta.com/news-media). In this way, the Group utilises its website and ancillary communications infrastructure to ensure a rapid and equitable distribution of information for all interested parties.

ARYZTA’s Investor Relations programme for institutional investors is carried out in line with the quarterly announcement cycle, with management time allocated accordingly and not on an ad-hoc basis. ARYZTA has appointed a dedicated communications officer to focus on the management of the communication process with investors and the media, and to support ARYZTA’s efforts to strike a balance between the needs of managing a business and regular transparent communication with investors. ARYZTA’s policy regarding investor meetings (i.e. Group meetings, one-to-one meetings and conference calls) is that these will not be held on an ad-hoc basis. These will be organised following quarterly announcements, save as mentioned below. Investors wishing to meet the Group subsequent to such quarterly announcements should e-mail the Group’s Communications Officer (see details on page 158). These investor communications focus either on recently announced financial results, recent corporate activity or the longer-term strategy of the Group. They do not serve the purpose of disclosing new information that might encourage an investment decision.

The Group accepts invitations to investor conferences. Attendance at conferences by the Group will be on a planned and agreed basis in advance of its quarterly announcement cycle. The Group also communicates with analysts and stockbrokers who follow ARYZTA to facilitate third-party research on the Group. ARYZTA assumes no responsibility for any statements, expectations, or recommendations made by analysts and stockbrokers. The Group will communicate to investors at the time of any potentially price-sensitive event, such as significant acquisitions and divestments, agreements and alliances using the methods outlined above.
