

## Who are We?

ARYZTA is a global leader in speciality foods. Our food offering spans a wide range of baked sweet and savoury goods and includes: artisan breads, buns and rolls, muffins, frozen cookie dough, laminated dough, donuts, continental pastries and a variety of savoury pizzas and tarts. We sell branded as well as unbranded frozen goods to supermarkets, restaurants and other food outlets. Our brands include Cuisine de France, Klemme, Hiestand, Otis, Le Brea Breads, and Delice de France.

We are based in Switzerland with operations in the Americas, Europe, South East Asia, Australia and New Zealand. Our European Graduate Programme will offer you the opportunity to work with our European businesses and to work across multiple cultures.

## What we Offer

We run an 18 month European Graduate Programme with roles in **Operations, Sales & Marketing, IT, Finance, Supply Chain, Engineering, HR, Procurement, Quality, Category Management, and New Product Development.**

- Graduate Orientation to ARYZTA
- One-to-one Coaching
- Mentoring
- Real Role and Responsibility
- External Leadership and Development Support
- Opportunity to work on a variety of business projects

## Engineering Graduate Opportunities

- We offer a truly European 18 month Graduate Development Programme and are currently looking for Engineering Graduate to join our business.
- The Engineering team is responsible for ensuring that Projects are delivered safely, on time and on budget. As a graduate working in this area you will be exposed to everything that makes a global manufacturing business work.
- Typical activities you may be involved with include developing front end feasibility studies, factory layout design, process engineering and project management support.
- Opportunities in this area are within our Ireland Food Solutions Team.
- Preventative Maintenance programme improvements
- Line Efficiency improvements.

## We are looking for Graduates who are:

- Team players;
- Excellent people and communication skills
- Passion, integrity and an entrepreneurial spirit
- Strong attention to detail
- Desire to work in a dynamic FMCG environment
- Resilience
- Drive and determination to succeed
- Passion for good food
