

Who are We?

ARYZTA is a global leader in speciality foods. Our food offering spans a wide range of baked sweet and savoury goods and includes: artisan breads, buns and rolls, muffins, frozen cookie dough, laminated dough, donuts, continental pastries and a variety of savoury pizzas and tarts. We sell branded as well as unbranded frozen goods to supermarkets, restaurants and other food outlets. Our brands include Cuisine de France, Klemme, Hiestand, Otis, Le Brea Breads, and Delice de France.

We are based in Switzerland with operations in the Americas, Europe, South East Asia, Australia and New Zealand. Our European Graduate Programme will offer you the opportunity to work with our European businesses and to work across multiple cultures.

What we Offer

We run an 18 month European Graduate Programme with roles in **Operations, Sales & Marketing, IT, Finance, Supply Chain, Engineering, HR, Procurement, Quality, Category Management, and New Product Development.**

- Graduate Orientation to ARYZTA
- One-to-one Coaching
- Mentoring
- Real Role and Responsibility
- External Leadership and Development Support
- Opportunity to work on a variety of business projects

Quality Graduate Opportunities

- We offer a truly European 18 month Graduate Development Programme and are currently looking for a Quality Graduate to join our business.
- Our quality and technical teams sit on two sides of the business. You may be working for our food solutions business, and therefore a variety of products from tomato sauce to pastries. If you work for our bakeries business you will be largely working with products that we make on site.
- Some of the work includes:
 - Working with the product development teams, commercial teams, and customers. Reviewing products
 - Checking specifications
 - Managing any complaints or challenges with the distribution of our products
 - Monitoring supplier performance
 - Conducting audits
 - Ingredient testing

We are looking for Graduates who are:

- Team players
- Excellent people and communication skills
- Passion, integrity and an entrepreneurial spirit
- Strong attention to detail
- Desire to work in a dynamic FMCG environment
- Resilience
- Drive and determination to succeed
- Passion for good food
